Signature of Applicant

*****If an application to remove a tree on public property is approved, the applicant is responsible for the removal and replacement cost of each tree. Public property includes street right-of-ways and all other City-owned property. A no-fee Encroachment Permit shall be required for all work performed in the public right-of-way prior to starting work. Please contact Robin Evans at (707) 933-2205 for information regarding City Encroachment Permits. Proof of Insurance shall be required (naming the City as additional insured and providing a minimum coverage of $1 million per occurrence).
