

7.08.040 Removal of garbage or rubbish only by authorized contractor or agent of the city.

It is unlawful for any person to remove or convey, or cause to be removed or conveyed, any garbage or rubbish in the city upon or along any public street, alley, or other public place, or otherwise dispose of any garbage or rubbish from within the city, other than the city or its duly authorized agent assigned to the work of garbage or rubbish removal, or any person with whom the city has entered into a contract, or to whom a permit has been given for the exclusive collection, removal and disposal of garbage or rubbish, or any employee, agent or servant of such contractor or permittee during such time as such contract or permit is in force. The above prohibition does not apply to contractors or maintenance personnel who are providing construction, landscaping, maintenance, hazardous materials abatement or demolition work on a property and who dispose of rubbish, hazardous waste or yard waste directly generated by such work in their own containers. The above prohibition also does not apply to residents of the city disposing of yard waste, hazardous waste, rubbish or garbage from their own property; provided, that disposal by such residents shall be in their own containers.

The city garbage collector shall have no right to delegate, assign or subcontract any of its duties or responsibilities under its contract or permit with the city related to the collection of garbage and rubbish. (Ord. 2000-7 § 2, 2000; Ord. 96-21 § 2, 1996).
